PERSONALITY

Creative, helpful, innovative, and self-driven developer skilled in PHP, MySQL, and frontend technologies. Experienced in building dynamic web applications and implementing secure backend systems. Passionate about continuous learning and solving real-world problems with code.

Actively building technical skills and growing an online portfolio across GitHub, LinkedIn, FreeCodeCamp, and Codecademy.

EDUCATION

University of Abuja

2024 - present B.Sc. in Computer Science

- Served as coding mentor for junior programmers

Government Science and Technical College Garki, Abuja.

2021 - 2024 West African Senior School Certificate (WASSCE)

- Graduated with strong passes in Math, Physics, and Computer Studies
- Participated in ICT Club activities and class tech projects

EXPERIENCE

Self-initiated | Personal Projects

Online Presence Website 2025

- Designed and developed an online presence portfolio website with backend and frontend integration, functional admin dashboard with login/logout protection using php sessions, integrated PHP mail() function to process and send contact form submission to email and admin dashboard, and structured managed databases using MySQL through phpMyAdmin.

CERTIFICATIONS

- Certificate of Completion – Web Development (PHP, HTML, CSS, SQL, JavaScript)
  https://github.com/cachecoder01/Certificates/blob/main/IMG_20250409_165905_991.jpg

SKILLS

Technical Skills

- Languages: HTML, CSS, JavaScript, PHP, SQL
- Database: MySQL (phpMyAdmin)
- Frameworks: Bootstrap
- Tools: PHPMailer, XAMPP
- Version Control & Platforms: Git, GitHub, FreeCodeCamp, Codecademy
- Other: Basic knowledge in Design, UI/UX Concepts

Soft Skills

- Strong problem-solving mindset
- Good communicator
- Quick learner and self-driven
- Eager to build real-world projects

PROJECTS

Online Presence Website

- Created a professional portfolio website including profiles, expertise, education, certifications, and contact form.
- Implemented a dynamic admin dashboard with login/logout protection.
- Developed secure file upload systems that automatically store and organize images(certificates e.t.c.)
- Integrated direct contact form messaging to email using PHP mail() function.
- GitHub and Linkedin profiles interconnected to strengthen online visibility.

CAREER INTERESTS

- Web Development (Frontend and Backend)
- Web Design and UI/UX

CacheCoder

- Software Engineering
- Artificial Intelligence and Machine Learning (future exploration)

INTERESTS

- Building side projects
- Exploring web technologies
- Attending dev meetups.
